Date

Stamp / Signature*)

*) with my signature I consent to the mutual obligations set out overleaf.

With their application for membership, the applicant commits to have read the current statute and to agree its rules as well as to the contents of gefma's data protection declaration (www.gefma.de – data protection declaration).

You further agree to

- the data of the contact person and possible other named points of contact being stored and used by gefma e.V. according to the data protection declaration in force. Within the framework of membership, gefma may use this data to forward information or invitations (via post, e-mail, etc.);
- the data of the contact person being passed on to our publishers, Bauverlag and/or Forum Verlag, for the delivery of subscriptions (print or digital) to members of contributions groups Group 1, Group 2 and Group 3;
- the data of the contact person and possible other named points of contact being passed on to the heads of our Lounges, Junior Lounges or work groups. The sole purpose of this disclosure being the communication of association events or professional exchange;
- the data of the contact person and possibly other named points of contact being passed on to shipping providers solely for the delivery of gefma publications or invitations to the general meeting;
- the data of the member company's purchaser being passed on to the DIN Media GmbH (publisher) (concerns the publications GEFMA 962).

gefma pledges

Not to use the data of contact persons for commercial purposes and – with exception of the previous qualifications – **not** to pass them on to third parties.

Classification Contribution Regulations

Contribution Groups 1-3:

Providers of Facility Management products and services

The annual contribution is based on the number of employees of a company. It counts for the **total headcount of all persons employed** by the company.

Key activities of the company/organization

- Project development/management, asset and property management
- Consulting, information technology services and products
- Facility Services; technical, commercial, infrastructural building management
- Vocational and continuing training, Research & Development
- Supplier
- Other: _____

**Operators / users of facility management product and services:
Commercial / industrial sector**

For companies that do not offer FM services in the market, but are using the gefma membership solely to increase efficiency in the management of real estate (pure users, internal FM organizations), the annual contribution is based on the number of employees working in FM. This applies to investors, owners, constructors, operators of buildings and estates (industry, communication, trade, finance, healthcare, recreational facilities, living ...)

Contribution Group 4:

Public institutions

- communes, federal and state administrations, ministries ...
- universities, research institutes ...
